

## Reserve today our complete client service package

We believe service of today means to get everything in a single place. We have set up a team of specialists to offer the complete service to our clients. We would like you to enjoy your visit or holidays, taking on everything for you allowing you to avoid the stress and worry of buying, selling or renting in Spain. We are now able to offer the following services:

- Airport transfer
- Rental car at concessionary terms
- Recommendation of rental properties, guest houses or hotels
- Good information of the area and sights, including prospects, maps, etc.
- Property viewings through our qualified, experienced staff in accord with your desired date; we have more than 400 attractive properties for sale
- Recommendation of shopping possibilities, excursions and restaurants
- Detailed advice of the current market situation and selling/ buying conditions
- Complete sales transaction including translation of the contract of purchase and our full after sales service (notification of change of the owner of water, electricity, taxes, alarm, telephone, etc.)
- Housekeeping and caretaking
- Pool and garden maintenance
- All types of construction work like extensions and conversion of a building, refurbishment work, building of pools, etc.
- Removal service and clear-outs

Managing Director
